

**Dear Reader**

*In this edition of the SwimRight News we are proud to bring you:*

- New for 2009, the **SharkEYE Tracker**
- Specialist triathlon stockist **Total Racing Inc.**

- *New Product* -

After 5 rounds of prototyping and a year of development work with coaches from all over the UK, SwimRight are proud to unveil the latest addition to the SharkEYE range. The **SharkEYE Tracker** brings swimming and triathlon coaches the same quality as our best selling **SharkEYE Coach** in a versatile handheld package.

Instant recording and playback to the onboard SD memory card make the ST-1.0 ideal for the busy swimming coach or teacher. Poolside video feedback has never been quicker or easier. In common with all SharkEYE products, the **SharkEYE Tracker** allows playback through most televisions, dubbing to DVD or VHS and transfer by USB to PC or Mac. With up to 8GB of storage, hours of video can be saved and reviewed without leaving the poolside.

- *New Stockist* -

We are delighted to announce the appointment of **Total Racing Inc.** as an authorised **SharkEYE** stockist. Phil Gray and the guys at TRI are talented and passionate about Triathlon. We look forward to working with them to serve our growing community of triathlon customers.
